

ABHINAV DURGAVARJHULA

902-412-8720 | Halifax, NS | d.abhinav12@gmail.com | <https://abhinavd.carrrd.co/>

EDUCATION:

Dalhousie University, Halifax, NS

Expected April. 2026

Bachelor of Arts, Psychology | Minor in Management

Certificate In Innovation and Entrepreneurship

The National University of Singapore, Singapore

Jul. 2024 - May 2025

Study Abroad, Faculty of Arts and Sciences

WORK EXPERIENCE:

Social Media Coordinator, Abstract Cafe - Dalhousie Student Union, Halifax, NS

Oct. 2025 - Current

- Manage end-to-end content strategy for the cafe's Instagram, from planning and scheduling to audience targeting, growing the account to 1K+ followers and 5K+ views organically without paid promotion
- Design menus, pricing materials, and branded content that strengthen audience connection and drive engagement
- Monitor performance through Instagram Insights to identify top-performing content and optimize posting strategy

Campus Engagement Assistant (CEA) - Student Affairs, Dalhousie University, Halifax, NS

Aug. 2025 - Current

- Execute multi-channel campaigns for 19,000+ students in collaboration with Student Experience, Operations, and Communications teams, managing setup, QA, and post-launch performance tracking
- Plan and deliver high-impact campus events including Orientation Week & Impact Awards, taking full ownership of promotional strategy, logistics coordination, and on-site execution
- Analyze campaign performance data to identify optimization opportunities, track pacing against goals, and adjust strategies in real time for stronger results and more efficient resource allocation
- Manage budgets and resource allocation across concurrent campaigns, ensuring spend aligns with planned targets

Research Assistant - Atlantic Personnel Selection Lab, Saint Mary's University, Halifax, NS

Mar. 2024, Jan. 2026

- Worked alongside senior researchers on research and assessment studies, contributing to study design, coordinating participant evaluations, and helping shape the criteria used to assess candidate performance
- Scored and Analyzed data for 60+ participant evaluations through pre-recorded video content, ensuring accuracy and measurement consistency
- Managed and organized large-scale datasets, contributed to data cleaning and refinement of scoring criteria, and completed a comprehensive scoping review analyzing 1,000+ academic articles and papers.

Founder, Event Tree, Dalhousie University, Halifax, NS

Oct. 2024, Current

- Identified a gap in campus event discovery for Dalhousie's student body, took the initiative to research the problem, and built a platform from the ground up to solve it without institutional support
- Designed everything from the concept and branding to marketing campaigns, platform structure, and UX, prioritizing accessibility and student engagement to make campus events easier to discover and attend
- Led promotion strategy to drive platform adoption and increase reach across campus

Marketing/PR Director, Dalhousie Science Society, Dalhousie University, Halifax, NS

Sept. 2023, May. 2024

- Led marketing campaigns promoting 4+ events per semester, increasing student engagement through social media strategy and campus partnerships
 - Developed and executed PR campaigns that put the society's events and initiatives in front of a wider campus audience, boosting attendance and building a more consistent presence across semesters
 - Coordinated cross-functional team efforts in content creation, branding, and communication strategy, ensuring consistent messaging and cohesive visual identity across all campus-wide outreach
-
